

CROSS REFERENCE

Hi-G vs Military and CECC Part Number

Hi-G manufactures its products in accordance with MIL-PRF-39016 and MIL-PRF-28776 specifications, under the supervision of the Italian Ministry of Defence "TELEDIFE"; furthermore manufactures some of its products in total compliance to MIL-R-5757 specifications. The part following is a cross reference calling for the suggested equivalence between the Military Designation, the Hi-G part number and, where available the CECC specification. For the part number of CECC qualified relays, please use the CECC reference specification number or contact our sales department.
